

MIDDLE SCHOOL SUMMER SKILL CLINICS

Midnight Sun is happy to announce that we have finally been able to secure gym time for our summer 1 day skill schools that will run all Sundays in June and the first three Sundays in July. These clinics are just for skill work only as there will be no game play. Each Sunday we will work on attacking, passing, setting, defense and serving. Since there is no game play, we can tailor our instruction to the level of experience for each camper giving those with experience playing the game higher level instruction and those who are new to the game instruction at a different level.

Each clinic is 2 hours, will be at the ATT Volleyball Center (now known as the O'Malley Sport's Center) from 2-4 pm. The dates are June—2nd, 9th, 16th and 23rd and the 30th as well as July 7th and 14th. These are open to any player from any club or school going in to grade 5-6-7-8 but we are limited to 20 players for each date, first come first serve and the cost is \$25 per player for each date selected.

We have separate skill camps for kids going into grades 9-12 on our site at midnightsunvolleyball.com under camps and clinics. Dates and info are there.

We will teach with ball machines, reaction balls, serving belt tethers, jump boxes, and will film kids and take them over to monitors to teach them by what they see. Instructors will be Morgan Hooe, Director of Midnight Sun Volleyball a two time All-American Volleyball player and Virgil Hooe, Midnight Sun CEO and a member of the Alaska State High School Activities Association Coaches Hall of Fame and the Alaska Sports Hall of Fame.

Instruction will be fast and fun with no pressure at all, with lots of repetitions and instruction to jet the players ahead in their understanding of the game and in their skill levels. Fill out the application below and check the date or dates and you would like to attend and send a check made out to Virgil Hooe (\$25 per date) to 9650 Birch Rd. Anchorage, Ak, 99507. Questions email akjrvbal@gci.net. Dates are not confirmed without a check and there are no refunds. Please remember that space is limited to 20.
